

## **Ms. Apoorva Deshpande**

Consultant - Child Psychologist

### Overview

Apoorva Deshpande is a child psychologist in Bangalore who completed her M.Phil in the specialization of Psychology from the Jain University, Bangalore. Not only she is the best child counselor in Bangalore but also has a good understanding of treatment and rehabilitation principles but also holds a fairly strong background in Neuropsychology. Her keen areas of interest include Autism Spectrum Disorder Management, Learning Disabilities, and Parent Training. She has an excellent ability to make independent judgments from common to rare cases and provide individual and family counseling services.

She is one of the best in psychological counseling in Bangalore who believes that every child needs an opportunity to reach his/her potential. With her knowledge in psychological assessment, early intervention, and remediation, she aims for the same. Her hard work, commitment, and skills facilitate this goal-oriented approach.
